The [Jets'](#) improbable run to the verge of their first [Super Bowl](#) appearance in 41 years started last January in a hotel conference room near the Baltimore-Washington airport.

The sixth of seven candidates to interview for the team's vacant head-coaching position, [Rex Ryan](#), was 45 minutes late. He arrived sweaty, almost panting, in a pinstripe suit with a white dress shirt. He carried a binder filled with 60 pages of detailed plans.

"It became apparent that Rex was our guy," Johnson said.

In Ryan's first season as coach, he changed the Jets' second-class existence through the sheer force of his bold and brash personality. He spoke loudly and often

Peter Foley for Associated Press

Homeless Need Tents in Haiti

WORLD:

Haitian and international officials issued an urgent call for help putting roofs over the heads of the estimated hundreds of thousands of people left without shelter by the quake. Jeannette Charles tended to her injured daughter in a critical care tent at the University Hospital in Port-au-Prince.

Cultural Riches Turn To Rubble in Haiti Earthquake

Long before its ground started heaving, [Haiti](#) was already a byword for a broken place. Its leaders were considered kleptocrats; its people were jaw-droppingly poor. But there was still a pride that burst forth from the people here, linked both to the country's heroic history and to the ...

Radiation Offers New Cures, and Ways to Do Harm

As Scott Jerome-Parks lay dying, he clung to this wish: that his fatal radiation overdose — which left him deaf, struggling to see, unable to swallow, burned, with his teeth falling out, with ulcers in his mouth and throat, nauseated, in severe pain and finally unable to breathe ...
